Rescue Unit: C/O Lydden Hill Medical & Rescue Services

Breakdown Vehicles: Lydden Hill Race Circuit

Permit Number - 118602

Welcome to Lydden Hill Race Circuit for the 2020 HRDC Historics on the Hill event. We are delighted to welcome the Historic Racing Drivers Club back to the circuit with an impressive entry of over 60 cars competing for the HRDC Jack Sears Trophy, HRDC Thermex Allstars and HRDC Classic Alfa challenge.

Lunch time displays will include a demo from the worlds fastest shed and wheelbarrow along with a custom and classic car parade.

What a year it has been with the awful Covid-19 pandemic effecting us all in different ways, we pay tribute to those who have helped on the front line and our thoughts are with those who have lost friends and family.

HRDC Historics on the Hill was originally scheduled for the 4th July 2020 although unfortunately, due to lockdown and social restrictions, the event was postponed to this weekend. We are fortunate that the event is able to still go ahead and we ask that everybody follows the Covid-19 regulations and signage around site to keep all of our visitors and staff safe.

In January 2020, Lydden Hill was granted planning permission to build a new VIP/hospitality centre with garages, a new access road coming in from the A2 traffic lights and permission to run additional, non-noise, activity days on top of the current 52 motorsport days. Despite the 4 month circuit closure due to Covid -19 we have continued to keep plans on track to be able to commence as soon as possible. We ran our first spectator event since the pandemic, round 1 of the 5 Nations British Rallycross Championship, last month and look forward to our next spectator event, the Lord of Lydden and Sidecar burn up, on the 24th and 25th October 2020. We hope you enjoy your day with us and we look forward to welcoming you back to the circuit in the near future!

TIMETABLE

Practice

10:30 - 11:35

Qualifying

11:45 - 12:50

**Parade Laps, Worlds
fastest Shed &
Barrow of speed
Demos**
