

Lydden Hill Race Circuit Environmental Policy 2023

At Lydden Hill we are committed to protecting the local and global environment as impacted by its activities, events, and actions. Lydden Hill Race Circuit senior management are dedicated to ensuring that protection of the environment is firmly embedded in the culture of the circuit and events.

To minimise environmental impacts and promote sustainability we shall;

- Ensure that all staff at Lydden Hill Race Circuit understand environmental issues and the impact of their work activities. All staff are trained to follow best practices with regular certified training courses provided.
- Commit to compliance with environmental legislation which relate to our operations.
- Regularly measure, analyse and act upon all environmental impacts with targets set to ensure consistent improvement.
- Seek opportunities to minimise and recycle waste.
- Work towards reducing our carbon footprint whilst maintaining biodiversity as well as protecting the ecosystem and wildlife through our on-going landscaping plan.
- Continue to measure and control noise as set out in Lydden Hill's noise management plan.
- Engage with wider stakeholders to educate them on the calculation of their carbon footprint and offsetting measures.
- Endeavour to use local suppliers when possible.

This environmental policy is communicated to all employees and stakeholders as well as shared on our website.
