

## Lydden Hill Race Circuit venue regulations 2024

Please read these regulations in conjunction with the venue and event terms and conditions.

- Children 16 and under must be accompanied by an adult at all times.
- If you have lost your child or found a lost child, please speak with a member of Lydden Hill staff and go to the medical centre shown on the map below.
- Please take care when walking around the venue, despite our maintenance team maintaining the groups due to the nature of the circuit there are uneven ground and rabbit holes. If you spot any hazards please inform a member of staff.
- Please take care when moving around the venue in the dark and use a torch at all times.
- Smoking is strictly prohibited within all buildings, structures and fuel areas.
- Any temporary offices which are set up for people to work must have fire detectors and a full fire RA.
- Hot processes such as welding or angle grinding must not take place without the necessary protection, risk assessment and permission from the site manager.
- Fireworks and Chinese Lanterns are strictly prohibited.
- Unauthorised drones are strictly prohibited at all times
- Please do not climb or sit on the venue fencing and abide to all signage shown.
- Dogs are permitted at Lydden Hill but must be always kept on a lead and cleaned up after. The person responsible for the dog will be liable for any accidents and should have the appropriate insurance.
- Ball games are not permitted at Lydden Hill.
- Motorsport can be dangerous and there is the potential for debris to fly off of the circuit despite taking all necessary precautions.
- Please make yourself aware of our emergency exits as shown below

### Vehicles

- Road registered vehicles are permitted around the site but must not exceed 10mph and vehicle movement must be kept to a minimum.
- Non-road registered vehicles are not permitted onsite at any time (excluding competition vehicles).
- Driving whilst on the phone or under the influence of drugs or drink is strictly prohibited.
- Burn outs, drifting or doughnuts are strictly prohibited onsite.
- There must not be any re-fuelling of vehicles until the time stated in the final instructions/event regulations. Any fuel brought onto site must comply with regulations in both type and quantity.

### Paddock

- All roadways must be kept to a minimum of 6 meters with no vehicles blocking access at any time. All visitors coming to Lydden Hill Race Circuit accept that any vehicle blocking a roadway will be removed, if you see a vehicle which is blocking access, then please report this to the circuit office immediately.
- There are fire points around the paddock, please familiarise yourself with these when arriving at the venue.
- All cables must be covered, the user of the cable is responsible for ensuring that it is not creating a trip hazard.
- Marquees and paddock structures must have adequate emergency exits

### Electricity

- The use and charging of E-Scooters and E-Bikes is strictly prohibited whilst on site.
- The charging of cars or electric buggies is strictly prohibited without prior permission from the circuit manager.
- Electric is available onsite and a card can be purchased from the catering unit. Users plugging into the electric boxes are responsible for ensuring that their electrical item is fit for purpose and in a safe condition. No other plugs, other than the electrical boxes should be used without permission from venue.

### Camping on site

- All sleeping units must be parked 6meters away from any another sleeping unit (caravans, motorhomes etc).
- All sleeping units must be fit for purpose with emergency exits, fire alarms and carbon monoxide alarms.

- Never use a portable barbecue, gas burner or generator inside an enclosed space as these can produce Carbon Monoxide. Remember, cooling BBQ's can still produce poisonous gases.
- Consider purchasing fire alarms and carbon monoxide alarms for your caravan or motorhome.
- If using Gas Cylinders always check for damage, maintain good ventilation, store upright, follow manufactures guidance and only use their hoses and connectors, and ensure you service gas appliances regularly.
- Waste must be disposed of in the bins provided. BBQ's must be cooled before they are properly disposed of.
- Hazardous waste must be disposed of in the containers provided. Tyres must be taken off site.

#### Near misses/Accidents

- All near misses/accidents must be reported to [info@lyddenhill.co.uk](mailto:info@lyddenhill.co.uk) as soon as possible.
