RALLYCROSS & FIREWORKS
7-8 NOVEMBER 2026

SPECTATOR INFORMATION

STAYING SAFE AROUND THE CIRCUIT

- Please follow all instructions given by event stewards, marshals and security staff. They are there to help keep everyone safe.
- Spectators must remain in the designated viewing areas at all times. Access to the circuit, track and other restricted areas is strictly prohibited.
- Do not climb, lean over or move safety barriers or fencing. Keep behind all barriers and respect any signed exclusion zones.
- The site speed limit is 10mph. Keep to marked pedestrian routes and take care at designated crossing points, where vehicles may be moving.
- The circuit has uneven and sloping ground, which may become wet, slippery or muddy. Please wear sturdy footwear and take extra care, particularly in poor weather or low light.
- The circuit banks and grassed viewing areas contain rabbit holes. While we carry out regular checks of these areas, new holes can appear and may be hard to see, especially in low light. Please watch your footing and take extra care when walking on grassed areas.
- Due to the uneven and sloping ground, some areas may be difficult to access with pushchairs or wheelchairs. Please use pedestrian routes where possible.
- Parts of the site will be dark after sunset. We recommend bringing a torch, particularly for the fireworks display and when returning to your vehicle.
- Keep children with you and under close supervision. Children must not be allowed to climb barriers or enter restricted areas.
- If you become separated from a child or find a lost child, speak to the nearest steward, marshal or security team member immediately. Lost children will be taken to the Medical Centre, located beneath the circuit offices.
- The grandstand is a stewarded area with a controlled capacity. Please follow steward instructions, do not stand on seats and do not exceed the permitted capacity.

PADDOCK AND VEHICLE MOVEMENTS

- Competition and support vehicles may move around the paddock and other designated vehicle routes. Stay alert, keep to pedestrian routes and only cross where directed by marshals.
- Please do not enter working or restricted areas, and never approach a moving vehicle. Follow any temporary instructions or closures put in place by event staff.
- Dogs are permitted in the paddock but must be kept on a short lead and under control at all times.

RALLYCROSS & FIREWORKS
7-8 NOVEMBER 2026

SPECTATOR INFORMATION

SATURDAY EVENING FIREWORKS

- The fireworks display is planned for Saturday 7 November at approximately 5.45pm and is expected to last around 15 minutes. Timings may change.
- Personal fireworks, sparklers, sky lanterns and flares are not permitted anywhere at the event.
- The display may be cancelled or delayed if conditions are unsuitable, including fog or sustained wind speeds above 40mph. Please listen for announcements and follow steward instructions.

BONFIRE, RIDES AND SAFETY

- The bonfire is managed by the appointed contractor. Spectators must not add anything to it or enter the restricted area around it.
- Please do not smoke near fuel, flammable materials or other restricted areas, and dispose of cigarettes safely.
- Only use fairground rides when they have been opened by the operator. Follow the operator's instructions and any height, age or other restrictions displayed.

NOISE AND HEARING PROTECTION

- Rallycross and the fireworks display are very loud. We recommend ear defenders or ear plugs for everyone, particularly young children and babies, who should wear ear defenders suitable for their age.
- If you wear headphones or ear defenders, please make sure you can still hear PA announcements, steward instructions and approaching vehicles.

FIRST AID AND EMERGENCIES

- First aid and medical support will be provided at the event. If you or someone with you needs assistance, speak to the nearest steward, marshal or security team member.
- If you see an incident, hazard or someone in difficulty, report it to event staff immediately. Do not put yourself at risk or enter a restricted area to help.

ACCESSIBILITY AND ASSISTANCE

- Accessible parking and facilities are available. Please speak to an event steward if you need help locating facilities or finding a suitable route.
- A RADAR key for the accessible toilet can be requested from event staff.
